Hello,

Bianca Jozwiak interned with us from February to June of 2018. Although she did not know the Dutch language, she was able to understand what we were asking of her. She made sure to keep our brand guidelines in effect whenever she drew up illustrations for our website and created social media posts. We absolutely loved having her and we wish her all the best back home in Canada.

All the best,

Rémi.W
Chief Financial Officer
